

Volunteer Form 2022

\*\*New for 2022 – CRDA Members may have a family member or friend complete volunteer hours on their behalf and also use this form as an official record of completed hours. Members must communicate with the Volunteer Coordinator PRIOR to the start of the volunteer shift. \*\*

To be eligible for Year End Awards and Scholarships, it is the CRDA Member’s responsibility to fill out this form with a record of where and when, and how many hours were performed as a volunteer if hours *are not* completed at a schooling show.

Volunteers at our schooling shows will have their volunteer time recorded by the Volunteer Coordinator and completion of this form is not necessary unless the Member’s hours are being completed by another person. In the case of volunteer hours completed by another person, the signature needed is that of the Volunteer Coordinator, so please return the form minus that signature and they will sign upon completion of the hours.
